1. In these rules "Average pay" means the average monthly pay earned during the twelve complete months immediately preceding the month in which leave is taken, provided that in the case of an officer who has been on leave during those twelve months such period of leave shall be omitted from the calculation.

Vacation counts as duty for the purposes of this rule.

For purposes of the above calculation, allowances granted for a specific purpose, such as conveyance allowance, house rent, etc., are not taken into account, nor are such allowances as fees for examination and travelling allowances.

2. These Leave Rules apply to all permanent officers, teachers or clerks of the University, excluding those lent by Government who continue to be under the Government Leave Rules, i.e., the Fundamental Rules or Civil Service Regulations, as the case may be.

3. Officers, teachers or clerks, who having resigned Government service or retiring therefrom, have accepted employment under the University, are entitled to add to the leave earned by service under the University, such amount of leave earned under Government and at their credit on leaving Government service as may be agreed upon by any special contract made between them and the University at the time of entering into service of the University.

General Conditions—

4. Leave is earned by duty only.

5.(a) An officer, teacher or clerk who resigns or is discharged from the employment of the University, cannot, if re-employed after an interval, count his former service towards leave without permission of the authority re-appointing him.

(b) An officer, teacher or clerk who is dismissed or removed from the University service but is reinstated, is entitled to count his former service towards leave unless the authority reinstating declares that he shall not be entitled to count it in whole or in part.

6. Leave cannot be claimed as of right. When the exigencies of the University service so require a discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

7. Leave ordinarily begins on the day on which an officer, teacher or clerk relinquishes his duties and ends on the day preceding the date on which he resumes them, or if duties are relinquished or resumed in the afternoon, the leave shall commence or end respectively on the following day.

8. All orders recalling an officer, teacher or clerk to duty before the expiry of his leave should state whether the return to duty is optional or not. If it is optional the person so recalled is entitled to no concession. If it is compulsory, he is entitled:—

(i) to receive a free passage to India ;

(ii) to count the time spent on the voyage to India as duty for purposes of calculating leave ; and

 - (i) to be treated as on duty from the date on which he starts for the place to which he is recalled ; and
 - (ii) to draw travelling allowance for the journey, but
 - (iii) to draw leave salary only until he resumes charge of his duties.

9. An officer, teacher or clerk who remains absent after the end of his leave is not entitled to leave salary during the period of such absence, and that period will be debited against his leave account as though it were leave on half average pay, unless his leave is extended by the authority authorised to grant leave. Wilful absence from duty after the expiry of leave may be treated as misbehaviour.

10. Leave to officers and teachers is granted by the Executive Council and that to members of the clerical and administrative staff by the Heads of the offices to which they are attached after consulting the leave account.

(b) In cases of urgent necessity, when an officer, teacher or clerk requires leave and no leave is due to him, the period in rules 13 and 15(a) as reduced by clause (a) of this rule, may be increased by one month for every two years of duty in a vacation department.

Non-University students may be admitted to special lectures on payment of Rs. 4 a month for the course of lectures in each subject.

(Executive Council Resolution No. 169, dated the 5th September, 1923).

Printing of Publications of the Teaching Departments.—The publication of the work of any University Department will require the previous approval of the University.

(Provisional Executive Council Resolution No. 19, dated the 23rd September, 1922).

Teaching Staff.—The Executive Council considers it undesirable in the best interests of this University for any member of the Teaching staff to stand as a candidate for any of the legislatures, or to be a member thereof.

(Executive Council Resolution No. 296, dated the 15th December, 1923).

If suitable candidates are not available to fill the posts of professors or readers created by the Academic Council, the posts may be filled by the appointment respectively of Readers and Lecturers, unless it is the decision of the Academic Council that no one except of the rank of professor or reader should be appointed to the post.

(Academic Council Resolution No. 61, dated the 24th November, 1923).

Canvassing.—Any canvassing by a candidate for any post under the University or for appointment as examiner either personally, or through friends shall be considered a disqualification.

(Executive Council Resolution No. 256, dated the 8th October, 1923).

(Academic Council Resolution No. 19, dated the 24th April, 1923).

Report of the Sub-Committee appointed to draw up a procedure for adjusting the duties of the Treasurer as adopted by the Executive Council on the 2nd August, 1924.

PRESENT:

1. The Hon'ble Justice Dr. S. M. Sulaiman.
 2. Dr. Tara Chand.
 3. Mr. A. H. Mackenzie (*Convener*).
1. (a) The Vice-Chancellor is the "principal executive and academic officer of the University" (*vide* Act Sec. 12 (1).).
 - (b) It is the duty of the Vice-Chancellor to see that the "Act, the Statutes and the Ordinances are faithfully observed and he shall have all powers necessary for this purpose" (*vide* Act Sec. 12(2).).
 - (c) The Vice-Chancellor is empowered to take action in emergencies of all kinds (*vide* Act Sec. 12 (4) (a)).
 - (d) The Vice-Chancellor exercises "general control over the affairs of the University" (*vide* Act Sec. 12 (5)).

It follows from the above that the Vice-Chancellor is responsible for the working of the University in all its departments.

2 Under Sec. 13 (5) of the Act the responsibility of the Treasurer for seeing that "all moneys are expended on the purpose for which they are granted or allotted" is "subject to the powers of the Executive Council." The Executive Council is therefore competent to define the procedure by which the Treasurer shall exercise his functions under Sec. 13 (5).

3. In our opinion the form suggested by the Vice-Chancellor in paragraph B (4) of his note, dated the 26th April, 1924, is in entire accordance with the Act (para. 13 (5)) and its use is calculated to ensure the smooth working of the University. It is understood that the Treasurer has authority to call for any file which he requires in order to enable him to enter his remarks on this form.

4. The Annual Estimates and statement of accounts should be prepared under the directions of the Vice-Chancellor and should be placed before the Finance Committee, of which the Treasurer is Chairman. The Treasurer should present the Annual Estimates and statement of accounts to the Executive Council after they have been approved by the Finance Committee and to the Court after they have been passed by the Executive Council.

5. The Cheques should be signed by the Registrar.

6. As regards further supervision over the funds of the University the Treasurer should be entitled to have information regarding any financial matter and to report on it to the Executive Council with such remarks as the Vice-Chancellor may choose to make about it. As soon as the financial items are ready in a complete form to be brought before a particular meeting of the Executive Council the Treasurer should be informed of them. He may call for any file relating to these items and may ask that the consideration of any item be postponed until the next meeting. But the final decision as to whether the item should be postponed or not should rest with the Vice-Chancellor.

7. The scheme proposed by the Treasurer for a separate Treasurer's Branch of the office would, in our opinion, be unworkable and unnecessarily costly. Under this scheme there would be in one institution two mutually exclusive departments not subject to a common authority; such an arrangement would be cumbrous in working and would produce endless friction.

27th July, 1924.

A. H. MACKENZIE,
Convener.

The property in the fund shall be vested in the University of Allahabad in trust for the following purposes :—

The fund shall be invested in Government Promissory Notes, and the income accruing therefrom shall be applied annually to the bestowal of Scholarship prizes for the encouragement of, and reward for, proficiency in the study of Sanskrit learning at Benares.

The said scholarships and prizes shall be denominated the Griffith Memorial Scholarships and prizes respectively, and shall be awarded to such students only as are actually pursuing their studies at the Sanskrit College, Benares.

LUMSDEN MEMORIAL SCHOLARSHIPS AND GOLD MEDAL.

At a public meeting held at Benares on the 2nd August 1891, it was resolved, in view of the approaching retirement of the Hon'ble J. J. F. Lumsden, C.S., Senior Member of the Board of Revenue, United Provinces of Agra and Oudh, who during his long connection with these Provinces, and more particularly with the Benares Division, had endeared himself to all classes, that in order to perpetuate his memory, a fund be raised for the purpose of founding a medal and two scholarships. This fund, amounting to Rs. 7,000, has been vested in the Treasurer of Charitable Endowment for the United Provinces of Agra and Oudh. The interest is paid to the Registrar of the University of Allahabad and is expended by the Syndicate in the following manner:—

(a) The Syndicate awards every second year a scholarship called the "Lumsden Sanskrit Scholarship" of the value of Rs. 10 now reduced to Rs. 8 *per mensem*, as Government Promissory Notes are reduced to $3\frac{1}{2}$ *per cent.* and tenable for two years to the student who passes the Intermediate Examination of the Allahabad University and obtains the highest number of marks in Sanskrit, among those who take up Sanskrit as their second language. The scholarship is awarded subject to the condition that the student continues his studies for the B.A. Examination in a College affiliated to the University of Allahabad.

(b) The Syndicate also awards every second year a Scholarship called the "Lumsden Arabic or Persian Scholarship" of the value of Rs. 10 (now Rs. 8 only) *per mensem*, and tenable for two years, to the student who passes the Intermediate Examination of the Allahabad University and obtains the highest number of marks in Arabic among those who take up Arabic as their second language. The scholarship is awarded subject to the condition that the student continues his studies for the B.A. Examination. If no student passes the Intermediate Examination with Arabic as his second language

in the year in which the scholarship is awarded, the scholarship will be awarded on the same conditions to the student who passes the said examination and obtains the highest number of marks in Persian as his second language.

(c) The Syndicate also every year awards a gold medal of the value of not less than Rs. 50 and not more than Rs. 60, called the "Lumsden Medal," to the student who stands highest in the examination for the Degree of Bachelor of Laws of the Allahabad University.

(d) If a student holding either of the scholarships discontinue his studies, die, or through misconduct or any other cause be considered by the Syndicate disqualified to hold the scholarship, it will be given for the rest of the term of two years to the next best student of the same year who fulfils the requirements laid down in clauses (a) and (b) above.

2. The Syndicate awards one of the aforesaid scholarships alternately every year commencing with the "Lumsden Sanskrit Scholarship" in 1893 and the "Lumsden Arabic or Persian Scholarship" in 1894.

3. The Syndicate will, from time to time, invest in Government securities any surplus that may remain over annually, after meeting the cost of the scholarships of the medal and incidental charges, and will apply at their discretion the interest received from this source towards increasing the value or number of the scholarships.

The Council of the Senate beg leave to report to the Senate as follows :—

In their Report on the Regulations for the Affiliation of the University of Calcutta (Reporter, 11th May, 1915, page 854), in which they proposed that Bachelors of Science of that University should under certain conditions be admitted to the privileges of Affiliation, the Council stated that they would at a later date make proposals with regard to the recognition for the purposes of affiliation of Bachelors of Science of other Indian Universities. They are now prepared with such proposals for the University of Allahabad. The proposals follow the general lines adopted in the case of Calcutta.

The Council accordingly recommend that Regulation 2, relating to the Affiliation of the University of Allahabad (Ordinances, page 286), be rescinded, and that the following Regulation be substituted for it :—

2. That any matriculated student of the University of Allahabad be entitled to be admitted to the privileges of Affiliation provided (1) that he has, in accordance with the regulations of that University, studied for not less than two years at one or more Institutions for the education of adult students affiliated up to the standard for graduation, and (2) that he has in the Matriculation Examination or in some higher examination of the University of Allahabad satisfied the examiners in Greek, Latin, Hebrew, Sanskrit, Arabic, Persian or Pali, and (3) that he has passed in the First Division in the Intermediate Examination in Arts or in Science, or has passed in the First or the Second Division in the Final

GENERAL COUNCIL OF MEDICAL EDUCATION
AND REGISTRATION OF THE UNITED
KINGDOM.

No. 38048.

299, OXFORD STREET, LONDON, W.

1st December, 1914.

DEAR SIR,

I have to inform you that the application of your University for the recognition of its degrees of M.B. and B.S., together with the communications transmitted on

The 10th September and the 29th October, were considered by the Executive Committee of this Council at its meeting on the 23rd ultimo, when the following resolution was adopted:—

Resolved:—“That the application of the University of Allahabad be acceded to, and that Registrar be authorised to place upon the *Colonial List of the Medical Register* any person who holds the degrees of M.B., B.S. of the University of Allahabad, provided that he satisfies the Registrar of the General Medical Council regarding the other particulars set forth in Part II of the *Medical Act*, 1886.”

I have accordingly added the degrees in question to the list of recognised degrees which entitle to registration in the Colonial List of the Medical Register of the United Kingdom.

You will notice the proviso that an applicant must satisfy me regarding the other particulars set forth in Part II of the Medical Act of 1886. One of these conditions is the production of evidence that the applicant is entitled by law to practise Medicine in the Country or Provinces in which he obtained his qualification. There is a Medical Ordinance in operation in Bombay and another in Madras, and I understand that an Ordinance is in contemplation in Bengal. I shall be glad if you would inform me which Presidency has jurisdiction over the United Provinces.

Yours faithfully,

A. J. COCKINGTON,

EWING CHRISTIAN COLLEGE, ALLAHABAD.

Re-Inspected—2nd March, 1920.

AFFILIATED IN ARTS, 1903, 1905 AND 1908 ; IN
SCIENCE, 1905 AND 1909.

In October, 1846, the British East India Company made over its College work at Allahabad to the American Presbyterian Mission. When the Civil Station was removed from the Jumna in 1853, the Mission purchased the Court building for educational work and started a Collegiate School. After a few years College classes were given up and the institution was known as the Jumna Mission School or the A. P. Mission High School.

In 1900 the American Presbyterian Mission decided to re-open the College at Allahabad, and the First Class was formed in 1902. In order to keep School and College separate, the old Court building was torn down and a better home for the School was put up at the western end of the Jumna compound, leaving the eastern end free for the College. This now has the following buildings:—A main College building with a Laboratory for Biology, a Library (with nearly ten thousand volumes), administrative offices, eleven lecture rooms and an Assembly Hall to seat 1,000 ; a Laboratory for Physics and one for Chemistry ; an Infirmary ; ten residences for members of the Staff ; and five Hostels, the total accommodation being approximately 200. Four of the Hostels are arranged with suites of rooms for one or more unmarried Professors.

Two hundred and seventy acres of land were acquired for an Agricultural Department immediately opposite the College on the Jumna, and courses were begun from July, 1912. This department became the Allahabad Agricultural Institute in 1918.

In 1923, as a result of the reconstruction of the University of Allahabad, the College gave up its B.A. and M.A. classes to the University and was resolved into two institutions: an Intermediate College, which took over classes IX and X from the High School, and an Internal College which provided Hostels (Rhea Hostel at the Jumna and the newly acquired Oxford and Cambridge Hostel) for University students and became responsible for their tutorial instruction.

The number of students in September, 1923, was 501 in the Intermediate College and 72 in the University College, besides 15 "attached students".

AFFILIATED IN ARTS AND IN LAW, 1889 ; IN SCIENCE, 1896.

In 1818 Pt. Ganga Dhar Shastri bequeathed to the East India Company the rents of certain lands in the districts of Aligarh and Muttra for the promotion of education. In accordance with the Shastri's Will Agra College was opened in 1823, the endowment then yielding over Rs. 22,000 a year. Subsequently Government added to the income and raised the College to its present status.

In 1883 the management was transferred to a Board of Trustees. At the time of the transfer the Trustees made an appeal to the noblemen and gentlemen of the Province of Agra, and a lakh of rupees was added to the endowment while the capital of the Scholarship Fund was raised from Rs. 25,000 to Rs. 57,500. The Maharaja of Bharatpur maintains additional scholarships.

The immediate control of the College is in the hands of a Committee, two of the members of which are official, the rest nominated by the Trustees.

The College formerly consisted of two departments, *viz.*, the College proper under a Principal, and the School under a Head-master. But in July, 1909, the School Department was handed over to Government by the Trustees in order that they might be free to devote all their resources for the benefit of the College.

There are 609 students enrolled in the Arts and Science classes of the College Department and 86 in the Law Department.

There are 330 College students resident in the College hostels, and more than 75 in the Caste Boarding-houses.

A scheme has been submitted to Government for the establishment of an Agra University. The Agra College has applied conjointly with the St. John's College for recognition as a University College by the Allahabad University.

Inspected—8th January, 1913, and 2nd February,
1918.

AFFILIATED IN ARTS, UP TO B.A., 1916.

This College is under the general control of the Church Missionary Society and a governing body, of which the Bishop of Lucknow is *ex-officio* Chairman.

The College is now housed in a very fine new building which was opened by His Honour the Lieutenant-Governor of the United Provinces of Agra and Oudh on January 6th, 1916.

There is Hostel accommodation in the new College compound under the direct supervision of Indian resident Wardens.

The subjects taught in this College and even the combinations of these subjects are strictly limited.

Only certain combinations of the following subjects are taught :—

B.A.	English, History, Philosophy, Persian, Sanskrit and Mathematics.
------	-----	-----	--

All teaching is on a tutorial basis. Most of the teaching is given in small tutorial classes. By this means Professors are able to take a more personal interest in the work of each individual student. In order to keep the tutorial classes sufficiently small the number of fresh admissions every year is strictly limited, so that application should be made early.

Organised games of some kind or other are compulsory unless the student brings a satisfactory Doctor's certificate to show that he is physically unfit.

SANATAN DHARM COLLEGE OF COMMERCE, CAWNPORE.

ASSOCIATED IN COMMERCE FROM JULY, 1923.

The foundation stone of the college was laid by His Excellency Sir Harcourt Butler on 1st March, 1920. The college opened on the 16th July, 1921.

The object of this institution is to provide higher commercial education, which will form a most valuable equipment for a commercial career. It aims at turning out young men, who will not only be thoroughly competent

juniors and assistants in business houses but will be fully qualified for positions of trust and responsibility. Cawnpore, the commercial and industrial capital of these provinces, has special advantages for a practical training in commerce and the aim of the college is to utilise these advantages to the full and to keep the training imparted in the college in full harmony with the practical requirements of Commerce and Industry.

The college is associated with the Allahabad University for the B. Com. Degree. In addition to the Bachelor of Commerce classes, Commercial Diploma classes under the Board of High School and Intermediate Education, U. P., are also maintained.

Building and maintenance funds have been raised by public subscriptions, the bulk of which has been contributed by the mercantile community of Cawnpore, both European and Indian. The institution has been established with the approval, co-operation and support of this community.

A magnificent building has been erected for the college on the banks of the Ganges. The Hostel and other buildings are in the course of construction; over rupees 2½ lakhs have already been expended, about 4 lakhs more will go towards the completion of all the buildings. The Local Government has given an initial grant of over rupees one and a half lakhs and also gives an annual maintenance grant.

Religious teaching on Sanatan Dharm lines is provided for Hindu students. The college is however open to students of every creed and race. The college is mainly residential.

The management of the institution is in the hands of a Managing Committee.

Tuition fee is Rs. 8 per mensem for B. Com. classes and Rs. 6 per mensem for Commercial Diploma classes.

A few scholarships are endowed and are available for the students of the college. Besides these Government scholarships for the Commercial Diploma Course, some scholarships offered by the Municipal Board, Cawnpore, for Commerce students are also available at the College.
